CHAIRS PROGRAMME**

***PROGRESS  
REPORT  
2008***

**UNESCO CHAIR  
In Higher Technical Education,  
Applied System Analysis and  
Informatics  
at the National Technical University of Ukraine  
"Kyiv Polytechnic Institute"  
and Institute for Applied System Analysis**

**NTUU "KPI" – KYIV – Ukraine  
2008**

## **UNITWIN/UNESCO Chairs Programme Progress Report**

**Period of Activity: 1.01.2008 – 31.12.2008**

**Title of UNESCO Chair:**

Higher Technical Education, System Analysis and Informatics

**Institution/Country:** National Technical University of Ukraine

“Kyiv Polytechnic Institute”, Ukraine

**Report established by:** Prof. Dr. Mykhailo Zgurovsky

**Function/Title:** Chairholder of the UNESCO Chair in Higher Technical Education, system analysis and Informatics, Rector of the National Technical University of Ukraine “Kyiv Polytechnic Institute”, Academician of the National Academy of Sciences of Ukraine

## Summary

In the progress report of the UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics at the National Technical University of Ukraine "Kyiv Polytechnic Institute" and educational and scientific complex "Institute for Applied System Analysis" the main information about the results of its activity in 2008 is represented.

The most significant measures in the sphere of academic activity connected with the organization and holding of seminars, trainings, conferences at national and international level, realization of international projects in the field of education are illustrated. Thus, during the reporting period 1 seminar, 5 international conferences and meeting were carried out with the participation of the UNESCO Chair.

Interuniversity exchange within the subjects of the UNESCO Chair activity took place (4 visits).

The UNESCO Chair activity was widely illustrated in publications (2 articles and 1 book) and at the UNESCO Chair site <http://www.unesco.ntu-kpi.kiev.ua>

## II. Available resources

### 1. Human Resources

#### 1. *For the administration of the UNESCO Chair*

Coordinator	Prof. Sergiy Sidorenko
Executive Secretary	Olena Poptsova
Academic Secretary	Prof. Sergiy Shukayev
Partial time support Secretary	Assoc. Prof. Olexandr Zakhovaiko
Partial time support Secretary	Maksym Gladsky

#### 2. *For the teaching/training/research activities.*

*The UNESCO Chair has three sections:*

- **HIGHER TECHNICAL EDUCATION**,  
headed by **Corresponding Member of the National Academy of Sciences of Ukraine, Professor Yuri Yakimenko**, *First Vice Rector of the National Technical University of Ukraine “Kyiv Polytechnic Institute”*
- **APPLIED SYSTEM ANALYSIS**,  
headed by **Professor Natalia Pankratova**, *Vice Director of the Institute for Applied System Analysis (IASA)*
- **INFORMATICS**,  
headed by **Professor Alexander Pavlov**, *Dean of the Faculty of Informatics and Computer Engineering NTUU“KPI”* and the **Organizational branch, that provides the formal aspects of daily activity.**

#### 3. *For the information and documentation activities:*

Academic Secretary Prof. Sergiy Shukayev

### 2. Material Resources

**Sources:** Host Institution, Governmental body

- **FOR THE ADMINISTRATIVE WORK:** Computers, fax machines, xerocopy machines, printer, and storage systems.
- **FOR THE TEACHING/TRAINING/RESEARCH ACTIVITIES:** Videoconference, video-edition, projector, Book edition, CD – edition, proceedings editions, e-learning.
- **FOR THE INFORMATION AND DOCUMENTATION ACTIVITIES:** Web-site, posters, brochures, Proceedings, Book editions.
- **FOR OTHER ACTIVITIES:** Videoconferencing

### III. Activities

#### 1. Academic activities

##### Education/Training/Research

UNESCO International Basic Sciences Programme Project 2-UA-01 entitled “INTERNATIONAL PREADMISSION TRAINING CENTRE OF EXCELLENCE” (Activity-Financing Contract 879.068.7)

**Duration:** 1 December, 2007 – 31 January, 2008

##### Target groups

Target group	Male	Female	Total
Undergraduate students			
Graduate students			
Postgraduate students			
Academics			
Public administrators			
Employees from industry			
Teachers from primary education			
Teachers from secondary education			
Teachers from technical and vocational education			
Teachers from adult education			
Others groups			

##### Geographical coverage for participants and partners:

- National  
 Regional/Interregional/International

Regions	Countries
Africa	
Arab States	
Asia/Pacific	China, India, Iran,
Eastern and Central Europe	Russian Federation, Moldova, Georgia
Western Europe and North America	Turkey, Estonia, Poland
Latin America and the Caribbean	

##### Funding sources:

Funding source	Type of Organisation/Institution	Period	Amount (US\$)
Host Institution		1 September, 2007 – 31 December, 2008	19 000
UNESCO Contribution		1 December, 2007 – 31 January, 2008	11 400

##### Results:

During the realization of the project the following tasks were undertaken:

- a) The correspondent Web site pages were designed;
- b) The necessary computer equipment and license software were ordered;
- c) The Web site was put into operation (NTUU “KPI”, Kyiv, Ukraine).

Web portal is located at NTUU “KPI” server.

d) The on-line system of registration for preparatory department international entrants was created;

e) The code, illustrations, forum and the main Web site text part were elaborated;

On the Web site the following is allocated:

– The knowledge demands for the preparatory department entrants according to the general educational program of Ukraine secondary school;

– Educational programs of the preparatory department at international faculty of NTUU “KPI” were allocated;

– Demo version of correspondent multimedia training courses;

– General information which includes the conditions of the entrance and studying; demands for the entrants; the list of documents which are necessary for the reception; the list of specialities; duration and cost of studying and other additional information.

Thus the virtual preadmission department internet portal that was developed is the first phase aiming at the promotion of education in basic sciences, knowledge transfer, exchange and sharing teaching experience as well contributing to the development of joint international education programmes in basic sciences which should provide wide access to international resources.

## Strategy workshop for Policy Makers: Scenarios for a co-ordinated approach to sustainable S/T co-operation with the Eastern Neighbors of the EU

**Date and place:** May 15, 2008, NTUU «KPI»

**Partnership:**

- Ministry of Education and Science of Ukraine
- National Technical University of Ukraine "Kyiv Polytechnic Institute";
- National Academy of Sciences of Ukraine
- Ministry of Education and Research of France
- Federal Ministry of Education and Research of Germany
- The National Information Center for Ukraine-EU Cooperation
- UNESCO chair: “Higher Technical Education, Applied System Analysis And Informatics”, IASA
- The Scientific and Technological Research council of Turkey
- State Fund for Fundamental Research

**Participants:** 36 participants

### Target groups

Target group	Male	Female	Total
Undergraduate students			
Graduate students			
Postgraduate students			
Academics	6	3	9
Public administrators	15	10	25
Employees from industry			
Teachers from primary education			
Teachers from secondary education			
Teachers from technical and vocational education			
Teachers from adult education			
Others groups	2		2

### Geographical coverage for participants and partners:

- National  
 Regional/Interregional/International

Regions	Countries
Africa	
Arab States	
Asia/Pacific	
Eastern and Central Europe	Ukraine, Russian Federation
Western Europe and North America	France, Finland, German Federation, Turkey, Austria, Romania, Estonia
Latin America and the Caribbean	

### Funding sources:

Funding source	Type of Organisation/Institution	Period	Amount (US\$)
UNESCO Contribution			
Other contributions	National information center for EU collaboration in science and technologies sphere at the Kyiv scientific and technical center of economic information	May 15, 2008	2185

## 2. Conferences/Meetings

### Congress of the Black Sea University Network «Forum on higher education»

**Date and place:** 2-5 April 2008, National Technical University of Ukraine «Kyiv Polytechnic Institute», Kyiv, Ukraine

**Partnership:** Ministry of Education and Science of Ukraine, National Technical University of Ukraine «Kyiv Polytechnic Institute», Black Sea University Network, Ukrainian Peace Council, UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics at NTUU «KPI».

**Under the auspices:** of the UNESCO-CEPES.

### Participants: 212

- Undergraduate students
- Graduate students
- Academics
- Public administrators
- Employees from industry, or other private sector
- Teachers from primary education
- Teachers from secondary education
- Teachers from technical and vocational education
- Other groups

### Regional Coverage

- National
- Regional/Interregional/International

Regions	Countries
Africa	
Asia/Pacific	
Eastern and Central Europe	Azerbaijan, Albania, Bulgaria, Armenia, Greece, Georgia, Moldova, Russian Federation, Rumania, Serbia, Ukraine, Turkey
Western Europe and North America	
Latin America and the Caribbean	

#### **Publications:**

**Title:** Proceeding «Forum on higher education». Congress of the Black Sea University Network, April 2-5, 2008.- Kyiv, 2008. – 132 p.

**Publishers:** NTUU “KPI”

**Year of Publication:** 2008

**Type of document/material:**

- Book
- Periodical
- Others – Proceedings of the Conference

**Language(s):** English

**Keywords:** Black Sea Region, University Network, education, science, innovations, mobility, regional cooperation, development.

**Title:** Congress of the BSUN “Forum on higher education”

**Publishers:** Kyivsky Polytechnic, №14

**Year of Publication:** May 18, 2008

**Type of document/material:**

- Book
- Periodical (Newspaper)
- Others

**Language(s):** Ukrainian

**Keywords:** Black Sea Region, University Network, education, regional cooperation, development.

**IX International Scientific and Practical Students’, Postgraduates’ and Young Scientists’ Conference. “Ecology. Person. Society”.**

**Date and place:** May 13-18, 2008, NTUU «KPI»

**Partnership:** Scientific Student Association of NTUU “KPI”, The Royal Institute of Technology (Sweden), Delft University of Technology (the Netherlands), State Polytechnic University of Catalonia, NTUU «KPI» Department for scientific and educational work, State Ecologic Inspection of the Ministry of Environmental Protection of Ukraine, NTUU “KPI” Chair in Ecology and Technology of Plant Polymers, NTUU “KPI” Chair in eco-biotechnology and bio-power engineering, UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics at NTUU «KPI» and IASA

**Participants: 201**

- Undergraduate students
- Graduate students
- Academics
- Public administrators
- Employees from industry, or other private sector
- Teachers from primary education
- Teachers from secondary education
- Teachers from technical and vocational education
- Other groups

**Regional Coverage**

- National
- Regional/Interregional/International

Regions	Countries
Africa	
Arab States	
Asia/Pacific	
Eastern and Central Europe	Ukraine, Poland, Russian Federation, Republic of Belarus, Azerbaijan, Lithuania, Moldova
Western Europe and North America	Sweden, Spain, the Netherlands
Latin America and the Caribbean	

**Publications:**

**Title:** Proceedings of XI International Scientific and Practical Students', Postgraduates' and Young Scientists' Conference. "Ecology. Person. Society" (May 13-18, 2008, Kyiv, Ukraine )

**Publishers:** NTUU “KPI”

**Year of Publication:** 2008

**Type of document/material:**

- Book
- Periodical
- Others – Proceedings of the Conference

**Language(s):** Ukrainian

**Keywords:** protection of flora and fauna, ecological monitoring, ecological legislation, problems of ecological education and awareness, mathematic modeling methods, efficient usage of natural resources.

**Title:** Ecology. Person. Society.

**Publishers:** Kyivsky Polytechnic, №19

**Year of Publication:** May 30, 2008

**Type of document/material:**

- Book
- Periodical (Newspaper)
- Others

**Language(s):** Ukrainian

**Keywords:** ecological future, modern technologies, water purification, ecological education and awareness, ecological laws.

## IX International Conference "Progressive Equipment and Technology - 2008»

**Date and place:** 20-24 May 2008, on the base of National Technical University of Ukraine «Kyiv Polytechnic Institute», Kyiv, Ukraine

**Partnerships:** Ministry of Education and Science of Ukraine, Ministry of industrial policy, National Technical University of Ukraine «Kyiv Polytechnic Institute», Institute of Mechanical Engineering of the NTUU "KPI", Institute of ultra-hard materials (NAS of Ukraine), Scientific council on a mechanics rigid deformable skew field NAS of Ukraine, The Society of Mechanical Engineers at the NTUU "KPI", Public Corporation «Research Institute of Aeronautical Technology» (Ukraine), Sevastopol National Institute of Nuclear Energy and Industry, Sevastopol National Technical University, Wroclaw University of Technology (Poland), Otto-von-Gürke University of Magdeburg, Faculty of Mechanical Engineering of University of Belgrade, Technical University of Gabrovo (Bulgaria), UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics at NTUU «KPI».

**Participants: 202**

- Undergraduate students
- Graduate students
- Academics
- Public administrators
- Employees from industry, or other private sector
- Teachers from primary education
- Teachers from secondary education
- Teachers from technical and vocational education
- Other groups

### Regional Coverage

- National
- Regional/Interregional/International

Regions	Countries
Africa	
Asia/Pacific	
Eastern and Central Europe	Ukraine, Russian Federation, Serbia, Montenegro, Poland, Bulgaria
Western Europe and North America	Germany
Latin America and the Caribbean	

## 21<sup>st</sup> International CODATA Conference “Scientific Information for Society – from Today to the Future”

**Date and place:** 5-8 October 2008, National Technical University of Ukraine «Kyiv Polytechnic Institute», Kyiv, Ukraine

**Partnership:** National Technical University of Ukraine «Kyiv Polytechnic Institute», Committee on Data for Science and Technology (CODATA) of the International Council for Science, National Academy of Science of Ukraine, UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics at NTUU «KPI».

### **Participants: 375**

- Undergraduate students
- Graduate students
- Academics
- Public administrators
- Employees from industry, or other private sector
- Teachers from primary education
- Teachers from secondary education
- Teachers from technical and vocational education
- Other groups

### **Regional Coverage**

- National
- Regional/Interregional/International

<b>Regions</b>	<b>Countries</b>
Africa	Ghana, Egypt, South Africa
Asia/Pacific	Azerbaijan, Israel, India, Iran, China, South Korea, Malaysia, Japan, Australia
Eastern and Central Europe	Byelorussia, Bulgaria, Georgia, Lithuania, Poland, Russian Federation, Rumania, Slovakia, Ukraine, Czech Republic
Western Europe and North America	Canada, USA, Austria, Belgium, Hungary, Great Britain, Ireland, Spain, Италия, Netherlands, Germany, Norway, France, Sweden,

### **Publications:**

**Title:** Abstracts «Scientific Information for Society – from Today to the Future». 21st International CODATA Conference, October 5-8, 2008.- Kyiv, 2008. – 287 p.

**Publishers:** NTUU “KPI”

**Year of Publication:** 2008

**Type of document/material:**

- Book
- Periodical
- Others

**Language(s):** English

**Keywords:** Scientific Data for Biology, Physics, Material Science, International Databases, Information Sciences, Sustainable development, Environmental Protection, Public Health, Universal Communications, Information Security.

**Title:** World Scientific Forum in KPI.

**Publishers:** Kyivsky Polytechnic, №30

**Year of Publication:** October 16, 2008

**Type of document/material:**

- Book
- Periodical (Newspaper)
- Others

**Language(s):** Ukrainian

**Keywords:** Data Retention, Development of Information Technologies, International Cooperation, Information Society.

## IV<sup>th</sup> International Conference "Women in Sciences: the Past, the Present-day, the Future."

**Date and place:** November 7-8, 2008, NTUU «KPI»

**Partnership:** Ministry for Family, Youth and Sport of Ukraine, Ministry for Culture and Tourism of Ukraine, UNDP Programme of Equal Opportunities, Public Organization "Women in Sciences", UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics at NTUU «KPI» and IASA, International Organization "Zhinocha Gromada", Ukrainian International Committee for Scientific and Cultural Issues at NAS of Ukraine, Ukrainian Gender Education Centre at NTUU «KPI»

**Participants:** 153 participants

- Undergraduate students
- Graduate students
- Academics
- Public administrators
- Employees from industry
- Teachers from primary education
- Teachers from secondary education
- Teachers from technical and vocational education
- Other groups

### Regional Coverage

- National
- Regional/Interregional/International

Regions	Countries
Africa	
Arab States	
Asia/Pacific	
Eastern and Central Europe	Ukraine, Lithuania
Western Europe and North America	Germany, USA
Latin America and the Caribbean	

**Publications:**

**Title:** Woman in Science

**Publisher(s):** Kyivsky Polytechnic, №35

**Year:** November 20, 2008

**Type of document/material:**

- Book  
 Periodical(newspaper)  
 Others

**Language(s):** Ukrainian

**Keywords:** gender realities, women in science and education, gender culture

### 3. Interuniversity Exchanges/Partnership

**Visit of M. Z. Zgurovsky, International Educational Fair**

**Date and place:** March 6-8, 2008, Warszawa, Poland

**Purpose:** to participate in the International Educational Fair

**Visit of M.Z. Zgurovsky to the headquarter of CODATA**

**Date and place:** April 5-7, 2008, Paris, France

**Purpose:** to participate in the session of the executive CODATA Committee

**Visit of M. Z. Zgurovsky to the Warszawa Technical University**

**Date and place:** April 16-19, 2008, Warszawa, Poland

**Purpose:** to participate in the International Education Conference “Warszawa-2008”

**Visit of M. Z. Zgurovsky to Kaunas Technical University**

**Date and place:** September 24-27, 2008, Kaunas, Lithuania

**Purpose:** to participate in the 27<sup>th</sup> International Conference of Rectors and Presidents of Technical Universities of Europe.

### 4. Publications and multimedia materials

1. UNESCO Chair official web-site <http://www.unesco.ntu-kpi.kiev.ua>
2. Title: M.Z. Zgurovsky, D. Ikeda: Dialogues «Ukraine-Japan»  
**Publisher(s):** „Todai”, magazine, №5 (572)  
**Year:** 2008  
**Type of document/material:** periodical, article
3. Title: M.Z. Zgurovsky, D. Ikeda: Dialogues «Ukraine-Japan»  
**Publisher(s):** „Todai”, magazine, №6 (573)  
**Year:** 2008  
**Type of document/material:** periodical, article

4. Title: Michael Zgurovsky, Alexei Gvishiani. The Sustainable Development Global Simulation: Quality of Life and Security of the World Population (2005-2007/2008). – K.: Publishing House “Polytekhnica”, 2008. – 336 p.
5. The virtual preadmission department internet portal.

## IV. Outcomes

NTUU “KPI” is now effectively extending the international relations, in such a way it is implementing the modern development model of the technical university as the international educational scientifically-informational complex.

UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics, which has become one of the brain power centers of Ukrainian higher technical education, plays an important role in this process. The Chair took the initiative in organizing the international congresses, conferences and workshops concerning the different aspects of higher education growth and understanding of its importance in modern society.

One of the remarkable results of the UNESCO Chair’s work was the new scientific and educational programs appearance in the university, in particular, such as «Technological forecasting», «Intellectual property», «Terrorist attack opposition», «Ecologically harmless technologies», «Bioinformatics», «Mechotronics» and others. In general, 46 new specialties were introduced in the university.

Among the important activity directions the cooperation of the UNESCO Chair and UNESCO European Centre for Higher Education (UNESCO-CEPES) should be singled out. The main functions of which are treatment, introduction and development of the international examination principles of education quality and Ukrainian higher educational institutions work rating evaluation. The result of these activities was the compiling and publishing in 2007-2008 of the rating of Higher Educational institutions of Ukraine „Top-200 Ukraine” that caused to broad discussion in the Ukrainian educational environment.

NTUU “KPI” cooperate with the UNESCO Institute for Information Technologies in Education (Moscow) by developing the projects in the sphere of distant education. The National key point of the Institute was created and the great number of projects was started in the sphere of introduction of the distant education methods in Ukraine.

Owing to the active work of the UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics the international cooperation for the last years became the integral part of NTUU “KPI” and IASA. This creates the favourable conditions for future integration in the international and, in particular, European educational, scientific and informational space and promotes introduction of the reforms, which were started with the Bologna process. It also facilitates the realization of the “Dacar activity restrictions” that has the immediate importance in the United Nations educational strategy, program tasks of the UNITWIN/UNESCO Chair and other directions of the UNESCO activities.

## VI. Forthcoming Activities

### X International Scientific and Practical Students', Postgraduates' and Young Scientists' Conference. "Ecology. Person. Society".

**Date and place:** May, 2009, Kyiv, Ukraine

**Partnership:** under verification

### X International Conference on Progressive Equipment and Technology

**Date and place:** June, 2009, Sevastopol, Ukraine

**Partnership:** under verification

### International Scientific and Practical Conference on System Analysis and Information Technology

**Date and place:** July, 2009, NTUU «KPI»

**Partnership:** Institute for Applied System Analysis, NTUU «KPI», UNESCO Chair in Higher Technical Education, Applied System Analysis and Informatics

## VII. Development prospects

Medium-term strategy of United Nations Organization for education, science and culture for 2002-2007, adopted at the 31st UNESCO General Conference in October-November 2001, proposes twelve strategic goals which include provision of wide access to information and communication technology. Ukraine as the UNESCO member in forming the education system of the future "Education for all, lifelong and limitless learning" should take this strategy into consideration.

Expanding its international activity in the new environment, NTUU"KPI", Institute for Applied Systems Analysis, UNESCO Chair in Higher Technical Education, Applied Systems Analysis and Informatics have been participating actively in the implementation of the above-listed priorities in the recent years. The role of the UNESCO Chair in Higher Technical Education, Applied Systems Analysis and Informatics in this process is hard to overestimate (the list of international actions held by it presents convincing evidence).

UNESCO Chair will go on with realization of the statements of Memorandum About Cooperation with UNESCO-CEPES from 25<sup>th</sup> April 2006 and will actively develop and

implement ranking of higher education institutions of Ukraine as the instrument for evaluating quality and level of education services.

In the field of distance learning the UNESCO Chair in Higher Technical Education, Applied Systems Analysis and Informatics is collaborating actively with the UNESCO Institute for Information Technologies in Education, Moscow.

Nowadays a new wide-range UNESCO project of the Open Virtual Campus of E-Learning Centres, Technological and Engineering Universities of Central and Eastern Europe is commencing. The Ukrainian Institute for Information Technologies in Education and the Ukrainian Gender Education Centre at NTUU"KPI" are expanding their activities due to wider use of information and communication technologies.

The activity of the Ukrainian Gender Education Centre, established at NTUU"KPI" in 2001 under the aegis of the UNESCO Chair in Higher Technical Education, Applied Systems Analysis and Informatics, is also based on information technology. It acts up to the Memorandum of UNDP in Ukraine and National Technical University of Ukraine, aiming at further joint work on introduction of gender component into educational programmes and educational system, particularly, higher engineering education, personnel training and retraining in this field using innovative computer learning technologies.

The 34th Session of the General Conference of UNESCO approved the strategical guiding lines of development on 2008-2013. Particularly, as a result of the round table work of Ministries of education, the Communiqué was decided, which designate the reference points for participating countries in fields of education and economic development, rights of education for everybody, education and sustainable development, partner relations in the interests of education and economic development. The Communiqué marks that the education and economic development are interconnected: the improvement of standards of education promotes the economic development, which for one's turn is the sources of resources for education.

Forthcoming activities of the UNESCO Chair in Higher Technical Education, Applied Systems Analysis and Informatics will be directed to take an active part in these strategical guiding lines realization.

In 1992 the 26th UNESCO General Conference approved founding of the UNESCO/UNITWIN Chairs Programme. The UNESCO/UNITWIN Chairs projects refer to research preparation and holding and cover all main UNESCO fields of knowledge: education, human rights, environmental protection, humanities and applied science, communication, etc. The main fields of this programme charity concern higher educational institutions of the developing countries and countries in transit. The UNESCO Chair in Higher Technical Education, Applied Systems Analysis and Informatics at NTUU"KPI" is aiming at further development and cooperation in the framework of the UNESCO/UNITWIN Chairs Programme.
